

Curriculum Vitae

Personal information

- Name : Ahmed Ali Ahmed Ali Aioub
- Nationality : Egyptian
- Date of Birth : 31 December 1991
- Military Status : Not required
- Place of Birth : Sharkia , Egypt
- Marital Status : Single
- Passport No. : A11562901
- Mobile Number : 002 / 01007456970
- E-mail : a.aioub@zu.edu.eg
Ahmedaioub@rocketmail.com

Objective

Applying to scientific scholarships & research grants & I'm a researcher who is looking forward to entering a career that enables me to work in a practical environment, in which there is an ambition for pursuing new technologies and sharing experience with other people & I'm Looking forward to occupying a high rank position in plant protection field to increase my experience and build upon my technical skills acquired through my academic education and practical experiences.

Education

Faculty & University

Faculty of Agriculture – Zagazig University.

a- Bachelor of Agricultural sciences, Plant Protection department , Pesticides .

Level in National or International Classification: Excellent with the Honors Degree (94. 22%) June 2012 (1st Honor Class of the college).

b- Master of Plant Protection (Pest control and pesticides residue) Plant Protection Department 2015.

Occupation or position held

- Assistant Lecturer of Plant Protection Department (Pesticides) , Faculty of Agriculture, Zagazig University, Egypt (22/ 9 /2015).
- Demonstrator - Plant Protection Department, Faculty of Agriculture ,Zagazig University , Egypt. (27 /11/2012).

Languages

- Arabic (Mother Language) .
- English (Good) .

Work Experience

- Demonstrator of Pesticides , Plant Protection at Fac. Agr. – Zag. Univ. since 2012, Lecturer Assistant of Pesticides , Plant Protection at Fac. Agr. – Zag. Univ. in 2015.
- Teaching experience in Enviromental pollution , Pest control , Toxicological pesticides , Pesticides formulation , Pesticides residues chemistry , Pesticides creation chemistry , Microbial pesticides.
- Experimental work on my research of Pesticides residues , formulation and pest control.
- Practical teaching courses on Enviromental pollution , Pest control , Toxicological pesticides , Pesticides formulation , Pesticides residues chemistry , Pesticides creation chemistry , Microbial pesticides , Integrated Pest Management (I . P . M)
- I'm finishing now researches in my field, the first about "**Influence Sylgard 309 and Agrimax-3H on insecticide against *Aphis craccivora* on faba bean Plants "**
- How to write a research proposal.
- Good in understanding and solving hardware and software problems of a computer.
- Good in dealing with statistical programs (SPSS).
- I am responsible for: Teaching practical Sections of Agronomy for the department students, round table discussions and practical visits.
- Participating in the Department Projects and assisting my companions with their thesis.
- Working member of the implementation team of the quality assurance system of the faculty.
- Supervision on Fieldtrips of summer training programs of under graduate students to different scientific institutes.
- Master trainer in Britch Council Center for debates.
- I trained about 100 students about the debates in Zagazig University.

Certificate & Honors and Awards

- B.Sc. Faculty of Agriculture, Department of Plant Protection , Zagazig University, Zagazig city, Egypt, June 2012 , Excellent with the honor degree(94.22%).

- M.Sc. Faculty of Agriculture, Department of Plant Protection, Zagazig University, Zagazig city, Egypt, Sep 2015.
- Management the dialogue and the debate from Zagazig University in collaboration with British council (8 hours 19/11/2012).
- Certificate of ICDL learning and training (2009).
- Local TOEFL for a 60 hour course with score of (463) from English For Specific Purposes Centre, Zagazig University, Egypt (2014).
- Integrated Training Courses for University Graduates of Computer Skill (Computer Introduction / Windows XP, Win Word / Excel, Power Point / SPSSWIN).
- Faculty Staff Training Programs "Faculty and Leadership Development Project", organization providing education and training is Zagazig University during the year 2012- 2015 it includes :-
 - Curtsies and Ethics of Teaching Profession
 - Effective Teaching Skills (The ways and methods and even movements that help to improve the students reception of the taught information's and the different methods of mind talking with the students to make them accept, understand and love the given information's).
 - Preparing of lecturer.
 - Use of technology in teaching.
 - Examinations & Students Evaluation Systems.
 - Scientific publish.
 - Credit hours system.
 - Scientific conferences Organization.
 - Research projects of local and global competitiveness.
 - SPSS statistical analysis.
- Certificate of marketing & sales overview in 23 / 4 / 2011.
- Certificate of participation in the Young Arab Voices (Britch Council) regional debates competition in Tunis boxing days 2014.
- 1st place in the Young Arab Voices (Britch Council) regional debates competition in Tunis boxing days 2014.
- Certificate of participation in TOT of the Young Arab Voices (Britch Council) in Amman 2015.

Participations

- Teaching assistant of Plant Protection at Fac. Agr.Zag. Univ. since (2012 up till now)
- Trainer of Britch Council for Young Arab Voices (Debates).
- Leaders Preparation Institute certificate of notable leadership activity (2013/ 2014).

Leadership roles

- Member of Quality Management in my college, 2012 up till now
- Working member of the implementation team of the Quality Assurance System of the faculty.
- Supervision on Fieldtrips of summer training programs of under graduate students to different scientific institutes, companies and farms.

Personal Quilty & Skills

- Writing , editing, discussing& designing.
- Leadership, communication, creative thinking skills.
- Experience in workshops facilitating and moderating
- Excellent Computer Skills.
- Hard worker.
- Good project planner.
- Work in a team.
- Work under stress.
- Microsoft applications (Windows, Word, Excel, PowerPoint and Internet).
- Good in understanding and solving hardware and software problems of a computer.
- Good in dealing with statistical programs (SPSS & MS Excel).

Fields of my interest

- Phytoremediation of water and soil contaminated with some pesticides.

Discussion & Seminars and thesis

- I made seminars about proposal in " **FILED EVALUATION OF THIAMETHOXAM INSECTICIDE AND ITS MIXTURES WITH CERTAIN ADJUVANTS IN CONTROLLING LEGUMINOUS APHID, *Aphis craccivora* (KOCH) AND THEIR RESIDUES IN PLANTS AND SOIL (2015).** "

- Master thesis Agricultural Science (Plant Protection) " **Influence Sylgard 309 and Agrimax-3H on insecticide against *Aphis craccivora* on faba bean Plants "**

Publishing

Aioub A. A. Ahmed , A.E. Omar and A.E.A. El-Sobki (2015). " FILED EVALUATION OF THIAMETHOXAM INSECTICIDE AND ITS MIXTURES WITH CERTAIN ADJUVANTS IN CONTROLLING LEGUMINOUS APHID, *Aphis craccivora* (KOCH) AND THEIR RESIDUES IN PLANTS AND SOIL " Zagazig J. Agric. Res., Vol. 42 No. (4): 835 - 841.
